

Where your water comes from.....

Bo Howard Area: The northwest corner of the county is primarily served by the Bo Howard Well. A few locations in the southern part of the Bo Howard Area are supplied by water purchased from the Huntsville Utilities Southwest Water Treatment Plant and the Harvest/Monrovia Water Treatment Plant.

Hazel Green Area: The Hazel Green Area is served by the Hazel Green Well.

Mountain Fork Area: Water from the Cress Well is treated at the Mountain Fork Water Treatment Facility and serves the New Market, Meridianville, and Maysville areas. During periods of high demand, some water is also supplied from the Bo Howard Well and purchased from the Huntsville Utilities South Parkway and Lincoln/Dallas Water Treatment Plants.

Poplar Ridge / Old 431 Area: This area is supplied by water obtained from the Huntsville Utilities South Parkway Water Treatment Plant. The water is purchased from Huntsville Utilities and New Hope.

If still not sure...

Please contact the
Water Department for
more information.
